

Probability Summer School

# Saint-Flour

July 1st - 13th, 2024

52<sup>th</sup>

**Jean-Christophe Mourrat**

Statistical mechanics of mean-field disordered systems

**Sylvia Serfaty**

Systems with Coulomb Interactions : Mean-field Limits and Statistical Mechanics ensembles

**Christina Goldschmidt**

Scaling limits of random trees and critical random graphs

Organized by Hacène Djellout, Boris Nectoux et Arnaud Guillin
